

WOW!tea

- 🌟 Invite 3 or 4 friends to tea or coffee at home or a coffee shop.
- 🌟 They should ideally not be from our church, or any church (although it is good to have at least one person present who would give you support or agree).
- 🌟 If tea is at your home, set up beforehand so that you are not busy when the guests arrive.
- 🌟 If it is at a coffee shop or tea garden find a well situated table where conversation is relaxed. Be the first to get there and choose a table.
- 🌟 You may want to have someone there who has a story to tell – not a speech. Simply a recent experience of God’s grace.
- 🌟 Use phrases from WOW!phrases to use in witnessing if you want to.
