

WOW!tract, bookmark, card

- 👉 Pray and ask God to burden your hearts with one or two friends/family members/colleagues.
- 👉 Select a tract, bookmark or card from those available from the WOW!desk in the foyer or from elsewhere.
- 👉 At an appropriate moment hand it to them and say, "I thought of you when I saw this card and just want to give it to you as a blessing".
- 👉 Do it early in the week rather than later. It won't be hanging over you all week and it may be so easy that you want to do a few more. Don't leave it to Friday!
