THE METHODIST CHURCH OF SOUTHERN AFRICA FOURWAYS CIRCUIT 0910

04 September 2019

Greetings to all the members of the Fourways Circuit, in the name of Jesus Christ our Lord and saviour,

Considering the recent events, we ask all members to join together as a nation, to pray for a peaceful South Africa.

We are saddened by the Xenophobic attacks on foreign nationals, the looting of shops, the senseless killings of our young girls, the rape and abuse of women.

We join the many voices in our country and the African Continent to condemn these barbaric acts with the strongest term it deserves.

I call upon all of us in the circuit to stand united as the body of Christ, by showing love, care, welcome and acceptance for our brothers and sisters from other parts of Africa. Let us use our pulpits, our small groups, class meetings, throughout our organisations and social gatherings to talk peace and reconciliation, and an end to violence.

We thank God for His comfort in times of loss and hurt.

Yours in Christ,

Rev Festus Marumo

Superintendent
