

Do you have this life?

“He who has the Son has life; he who does not have the Son of God does not have life” (1 John 5:12)

Read 1 John 5:6-12

What makes you feel that you are truly alive? Is it the gratification of all your desires – an expensive car, a big house and valuable possessions? The message of the Bible is clear and simple: True life is all about Jesus! The question is whether Jesus is present in your life. If he is not present, you cannot experience true life. Knowing Jesus will not necessarily result in prosperity or power and authority. Often it involves yours of humble service without any visible power and little reward.

When Jesus enters your life, he brings complete fullness. He gives you priorities that you would never have thought of, but that are fulfilling and often exciting. When he forgives your sins, you will live in peace with God, other people and yourself. When you invite Jesus into your life, he opens your eyes – you see yourself for what you are; you see God for what he truly is, and you see the world in all its reality. You will find new perspective on all the facets of your existence and your life.

All these things, and many more, happen when you have Jesus in your life. Without Jesus in your life, the real world passes you by. Don't you want to make sure today that you have Jesus in your life? It will make a vital difference!
