

Life fulfilment through Jesus Christ

“For in Christ all the fullness of the Deity lives in bodily form, and you have been given fullness in Christ, who is the head over every power and authority” (Col 2:9-10)

Read Colossians 2:6-15

It often happens that when people take stock of their earthly wealth, it is done in accordance with the standards of the spirit of materialism. They determine their success or failure by the value of their material assets or the position they hold in the community or in business circles. This frequently leads to a false sense of values and can make such peoples total view of life dependent on what they possess or not possess. It is an extremely risky foundation on which to build a life and it often leads to disaster.

Your primary aim in life should be to ensure that you have accepted Christ. Your goal should be to live in a relationship of oneness with Jesus – every moment of the day. To achieve this, you need to acquire self-discipline not only with regard to prayer, Bible study and meditation, but also through the habit of being aware and staying aware of his presence in every aspect of your life.

When you concentrate on this aspect you will become aware of the friendship and love of the loving Christ, especially when you are facing the challenges of life. You will be able to manage your problems with a newly found calm and make decisions with new self-confidence. In relation to the enriching experience, the importance of the earthly possessions and achievements will fade.
